

You are invited to a GSK-sponsored scientific symposium at the WONCA Europe Conference 2022

The need to rethink adult vaccination in 2022

**Wednesday
29th June 2022**

12:40–13:30 CEST

Hall 4, ICC Capitol Suite,
Level 3

Resistance to many infectious diseases weakens with age. This phenomenon is a complex process and leaves older adults at increased risk of infectious diseases. During this symposium, Prof. Dr. Weinberger and Dr. Kumararatne will review the burden of adult infectious diseases, with a focus on herpes zoster, and the status of infectious disease prevention and patient management across Europe.

AGENDA

12:40–12:45	Welcome and introduction	Dr. Nicolas Lecrenier, Belgium
12:45–13:05	Adult vaccination across Europe: the status in 2022	Prof. Dr. Birgit Weinberger, Austria
13:05–13:20	Herpes zoster burden of disease, patient management and preventative measures	Dr. Dinakantha Kumararatne, United Kingdom
13:20–13:30	Panel discussion and Q&A	Dr. Nicolas Lecrenier
